Rasika Wale

+91-7030064307 — rasika.wale05@gmail.com — LinkedIn — GitHub

Professional Summary

Motivated and detail-oriented Computer Science student with a strong foundation in programming, web development, AI/ML and data analytics. Skilled in building real-world projects and passionate about leveraging technology to solve meaningful problems. Eager to learn, contribute and grow in a challenging environment.

Technical Skills

Languages/Tools: Python, SQL,Core Java,Advanced Java,Data Structures,VS Code,GitHub
Technologies: Machine Learning,MySQL,PostgreSQL, Model Optimization, Model Deployment
AI & Data: AI Integration, Data Processing Pipelines

Experience

AI/ML Intern Nov 2025 – Dec 2025
Pravara Infotech, Sangamner

- Assisted in collecting, cleaning, and preprocessing datasets for analysis and model building.
- Explored and visualized data using Python libraries (Pandas, Matplotlib, Seaborn) to identify trends and patterns.
- Supported the development of machine learning models (regression, classification, clustering).
- Created dashboards and reports to communicate findings to team members and stakeholders.

Projects

Farmer Buyers Produce Management System Oct 2025
Laravel, PHP, PostgreSQL,JavaScript, Bootstrap

- Developed a web-based platform connecting farmers directly with buyers.
- Implemented product listing, order management, user authentication and admin dashboard.
- Managed agricultural products, transactions and user data efficiently.

Skin Cancer Detection Using Deep Learning Apr 2025
Python, TensorFlow, Keras, Flask, SQLite

- Built a deep learning model to classify skin cancer as Benign or Malignant.
- Developed a web application for image upload and real-time prediction.
- Used MobileNetV2 model for accurate image classification.

NCC Management System Mar 2025
Laravel, PHP, MySQL,CSS, JavaScript

- Developed a system to manage NCC cadet records and activities.
- cadet registration, attendance, event management and report generation.
- Admin dashboard for efficient monitoring and data management.

Education

Sangamner College Sangamner, India
Bachelor of Computer Science (BCS) **CGPA: 9.56** Jun 2023 – May 2026

Shramik Junior College, Sangamner Sangamner, India
HSC - Science **Percentage: 70.83%** Jun 2022 – May 2023

Certification and Achievements

NxtWave Workshop - Build Own Generative Al Model
• Gained hands-on exposure to Generative AI concepts and building AI models through a practical workshop.

LeetCode and HackerRank Problem Solving
• Solved 25+ problems on LeetCode and HackerRank..

GenAI Job Simulation Program
• Completed the GenAI Job Simulation Program by Forage, gaining hands-on experience in data extraction, analysis, and developing an AI-powered financial chatbot.
